

### Liability Release Form - Target Tours

We strongly recommend Travel Medical, Cancellation, Interruption, Misconnection and Trip Delay Insurance to protect your initial investment. You can add insurance at any time before departure but the best time is at least 72 hours after purchasing the travel package as additional benefits may apply. Even if you plan on purchasing insurance at a later date, we require this form to be complete at the time of booking your travel package.

Do you currently have private travel insurance (group employee benefits, credit card, independent etc.)?
