

## **Charlottetown**

### **Thursday November 8 - STEAM PEI - Weather Wonders**

Step into the shoes of a meteorologist! Through hands on and engaging activities we will explore how our weather is changing, how it affects us, and how we can minimize the impact of weather on us, plants, animals and our environment. Along with interactive experiences, students will get a glimpse into some of the careers associated with meteorology and STEM! We will even have a visit from CBC Meteorologist Jay Scotland!

8:30am-4:30pm at Trinity United Church in Charlottetown.

\$40 tax included for the day.

For ages 5-12

Register for STEAM PEI camps at: <http://steampei.com/home/register/list-of-camps/>

### **Friday November 9 - Bricks 4 Kidz - Classic Arcade**

Jump into the world of classic arcade and video games - off-screen! Students will have the chance to build the famous plumber brothers, a brick eater, a jumping hedgehog, alien invaders, and more using LEGO Bricks!

8:30am-4:30pm at Trinity United Church in Charlottetown.

\$40 tax included for the day.

For ages 5-12

### **Friday November 9 - STEAM PEI - Tech Tunes**

Perfect for the future rockstar or music lover! Explore the connection between sound and science by creating your own instrument and composing your own music using various technologies! Through hands on and engaging activities students will investigate questions like: How do we make music? How do we hear music? Can we see music? What role can technology play in music? Your child will develop a whole new understanding of sound and appreciation for music!

8:30am-4:30pm at Trinity United Church in Summerside

\$40 tax included for the day.

For ages 5-12
