## Happy 60th Birthday Georgetown School

In April 1958 this Georgetown School opened its doors. We are still going strong 60 years later and are looking to organize memories and images to commemorate this special year. We are asking that former students and community members contact the school to speak with Ms. Mair and her grade 7 & 8 social studies class. They would love to see artifacts and hear stories from years past. Stories and images will be collected and compiled to share with everyone as we celebrate this milestone. 902-652-8970
