

## Greenfield Breakfast Program

When children arrive at school in the morning, they have the choice of going to the Breakfast Program or sitting and visiting with their friends in the lobby area or upstairs by their classrooms.

The Breakfast Program begins every day at 8:15. Parents should not drop children off before this time. Children who come on buses can go to the Breakfast program when they arrive. We do ask that students go right to breakfast when they arrive as there is not a lot of time before classes start.

We have wonderful volunteers who provide this program every day for our students. We are always looking for more volunteers to help out so if you would like to help out, let us know in the office and we will put you in touch with one of the coordinators.
