

## **GREENFIELD STAFF APPRECIATION CELEBRATION!**

Each year in February, schools across Canada dedicate time to honor the people who make a difference in our children's lives daily: teachers, staff, bus drivers and administration.

This year we will begin to show our "Thanks" weekly, during the month of February. Every Wednesday, we will deliver coffee and goodies. We would love your help in making it another successful celebration.

We are looking for volunteers to bring in food items, such as Nacho dip, muffins or cinnamon rolls, chips, cheese and crackers, fruit and veggie tray. We are looking for a quick grab and go snack for our teachers during their short morning break.

The above food items will be needed for Wednesday February 6, 13, 20, 27th.

More information will follow on how you can help with the Staff Appreciation Potluck Luncheon dated for March 8, 2018

Please reply if you can help out!
