

North Shore Minor Basketball Association

Logo Contest

The North Shore Ospreys are looking for a new logo and are hoping you can help. We have decided to have a contest for any student wishing to help us in creating our new logo.

Our current logo has served us well, however we feel the need for a change moving forward. We are seeking the help and creativity of students attending Central Queens Elementary School, École Saint-Augustin and Gulf Shore Consolidated School.

Designs must include an Osprey (our mascot) and a basketball.

Entries must include your name, school and contact phone number and email.

We ask that students submit their design to northshoreospreys@gmail.com no later than February 28th so that we may choose the winner and present our new logo at the last practice for the season, March 9th. NSMBA reserves the right to keep our current logo should the need arise.

Our winning design will be chosen by our executive team March 6th. The winner will be notified prior to March 9th and arrangements made to claim their prize.

Thank you and we look forward to receiving some great design,

NSMBA
