

Standing Committee on Education and Economic Growth

Share your feedback about safety, harassment, and discrimination within the public education system.

The Standing Committee on Education and Economic Growth is interested in supporting children and youth to be safe, free from bullying, harassment, and discrimination in all PEI public schools. The committee is interested in hearing from students, parents, teachers and any concerned individuals on the topics of safety, bullying, harassment, and discrimination – in any form – happening within Island schools. **Feedback is encouraged to be submitted before September 10, 2021.**

Children and Youth are strongly encouraged to participate. Children and Youth wishing to have help to express feedback are encouraged to connect with Alysha Campbell, Committee Clerk (902-368-4320 or alysyacampbell@assembly.pe.ca), or the Office of the Child and Youth Advocate (902-368-5630 or voiceforchildren@ocyapei.ca) for personal support.

The committee may use this information to propose recommendations to the Legislative Assembly in hopes of contributing to positive changes for students in Prince Edward Island schools. Please indicate whether you would like your submission to be shared publicly, or with committee members for information gathering purposes only. Privacy of submitters will be maintained throughout this process.
