Some of the benefits are:

- Reducing time spent by parent volunteers and school office staff on processing orders
- Reducing mistakes and time spent on last minute orders

Parents will order and pay on-line in a few clicks. No need to find lunch forms, no more looking for change, and no more reminding our kids to turn in their lunch orders.

Everyone is encouraged to order and pay using this new online ordering system. Arrangements to continue with paper based ordering may be made only in exceptional circumstances. You must contact the school office in advance to set this up.

The Parent Guide has instructions on how to access the on-line system and how to create a free PayPal account to pay online if you don't currently have one.

Sincerely,

L.M. Montgomery Home and School
