

How To Join A Meeting Using Your Google Account

There are multiple ways to join a meeting that has been set up by your classroom teacher. **You must be signed in to you Google Cloud account before joining a meeting. If you try to join a “Meet” early it will not work. Please pay attention to the specific time if your teacher schedules a meeting.**

1. Enter the meeting code on the google meet page.

<p>Once you are signed in, click the “waffle” shaped icon on the upper right of your Chrome window.</p>	 A screenshot of the top right corner of a Chrome browser window. It shows the Google navigation bar with 'Gmail' and 'Images' links. To the right is a 'waffle' icon (a 3x3 grid of dots) which is circled in yellow. Next to it is a circular profile picture of a man.
<p>From the dropdown menu click on the “Meet” Icon.</p>	 A screenshot of the Google app menu. It shows icons for 'Slides', 'Calendar', and 'Meet'. The 'Meet' icon, which is a video camera, is circled in yellow. Above the icons are the labels 'Classroom', 'Docs', and 'Sheets'.
<p>Click on “Join or start a meeting.”</p>	 A screenshot of a dark grey button with a white plus sign on the left and the text 'Join or start a meeting' in white.

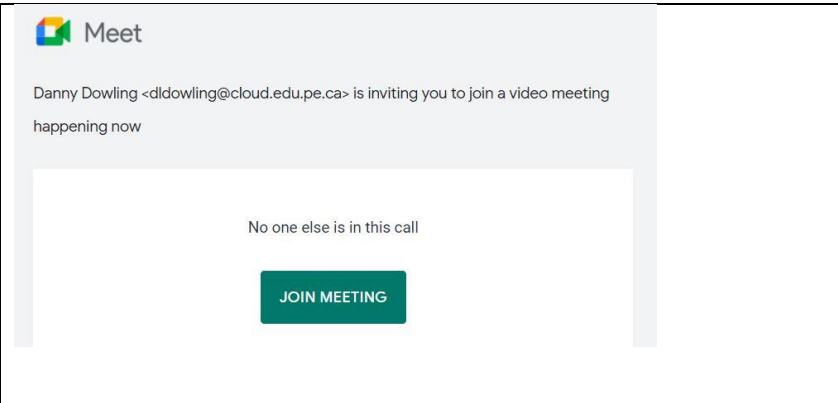

How To Join A Meeting Using Your Google Account

<p>Enter the meeting code provided by your teacher and click continue.</p>	
<p>You may see this box pop up. If so, click "Allow."</p>	
<p>Click the Join now button and you will join the meeting.</p>	

How To Join A Meeting Using Your Google Account

2. Click the link in an email you receive from a teacher.

If you receive an email from your teacher open the email and click the **JOIN MEETING** link.
Click the **Join now** button and you will join the meeting.

3. Click a link provided in your Google Classroom

If your teacher posts a link on your Google Classroom page, simply click the link and it will take you to the meeting page.
Click the **Join now** button and you will join the meeting.
