Lori Targett, Acting Vice-Principal

Student of the Month Awards for May:

Student of the month awards for May will be handed out on Friday, May 28th. Parents will be contacted if their child is receiving the award this month.

Attendance: As we head into the final weeks of May and the warmer weather is upon us, we are now well into the final term. At school, teachers and students are working hard and are deep into the curriculum. With 5 weeks of the school year left, attendance is important at this point in the year. If a student is absent or late, a lesson or a portion of the lesson is missed. This can interrupt classes as students who miss time are in need of explanation of what he/she has missed. Please help us to ensure that class time is maximized by having your child attend school and on time every day. Thank you for your continued support.

Reminder - Water Bottles: With the weather getting warmer and students drinking more water, students are reminded to please bring their own reusable water bottles from home.

Also, with the weather becoming increasingly nicer, we are being encouraged to get the students outside for classes. Please ensure your children have sunscreen on and have any other needed sun protection (ie. hats, sunglasses).

Reminder – Student Drop Off: Parents are reminded that students should not be dropped off at school prior to 8:30am, since there is no supervision before that time.

Library Books: Friday, May 28th will be the last day for library classes. Students and parents are encouraged to please take a look for any library books that may be at home. Thank you for your cooperation.

Kindergarten Orientation: Orientation for students entering kindergarten in September 2021 is scheduled for Friday morning, June 4th.

Please note: there will be no classes that day for the present kindergarten students.

Free Milk Day: The PEI School Milk Foundation Ltd. is offering schools another free milk day – every student in the school will be offered a free small white or small chocolate milk on **Friday, June 11th**.

COVID-19 Vaccination: The COVID-19 vaccination clinic at Vernon River Consolidated School for grade 7, 8 and 9 students is scheduled for Tuesday, June 15th. Vaccination consent forms are being sent home today. Please sign and return the consent form to the school office to ensure that your child receives the vaccine. If the consent form is not signed, your child will not be vaccinated at the school and will need to book at a community clinic. If you have any questions, please contact school administration.
